A few suggestions for getting off to a good start in your new home.

Take a moment to view the information in this "Welcome To Your New Home" brochure. If it’s not already filled out, the few minutes you spend finding the answers to some of the questions will help you tremendously.

And try these great ideas we learned from people in your shoes.

- Hang a favorite picture, even if only temporarily.
- Unpack and set up a few of the children’s favorite toys or furniture.
- Set up your stereo system and play some familiar music or find your new airwaves on the radio.
- Buy a new house plant or plant a new tree or bush to commemorate your first day.
- Take pictures of family members around your new home and neighborhood — for short notes to family and friends about your new place.
- Take the family on a walk to meet the neighbors.
- Host an informal neighborhood cookout.
